ANNUAL RETREAT

It was a refreshing period in God's presence as we opened the year with a period of fasting and prayer. The fasting retreat usually broaden our understanding to the need and how to manifest Him in this year and beyond. Watch out for 2022 retreat usually from 5th to 23rd January.

Time:	11pm

Editorial

Many people have reasons to quit the Master's business, especially because of this difficult time. Many have actually given up and turned back. In our last edition, we heard the Lord encouraging our heart to summon courage and hold on to the assignment. Those that have left the work were admonished to return because the Lord of the harvest does not take pleasure in quitters – Luke 9:62.

In this edition, the Lord is bringing a challenge to us that although the situation around us may look tougher and more difficult, He has not changed His mind concerning the job description. It is therefore essential for us to refer to the contract agreement and be sure that we are faithful because He is ever faithful. History is being replayed and so is the history of the growth and multiplication of the Church.

This is the time for a mighty harvest. We must adopt every strategy to ensure that we engage the fields and bring in hundreds of thousands and millions of sheaves for the Master. Ignore the difficulties focus on the Master and the harvest. If we wait, the harvest will waste.

BREAK UP THE FALLOW GROUND

"Break new ground.Plant righteousness,and harvest the fruit that your loyalty willproduce for me."It's time to seek the LORD!When he comes, he will rain righteousness on you. - Hos 10:12 (God's Word)

The desire of the Lord of the harvest still remains that the gospel of the kingdom be preached to all creatures before the consummation of time. He has not changed his mind. He still sends men and women to "**Go and make disciples.**" Unfortunately, the times are not friendly. Forging ahead has suddenly become a suicide mission. Fear and threat of death has punctured the zeal of many who started out in obedience to the Master's call – the Great Commission.

What is the Master saying today? Is he even aware of the peculiarity of this present time? According to Open Doors International 2021 Watch List, Nigeria is the 9th worst country in the world when it comes to Christian persecution. It added that over 2,200 Christians were killed by radical islamists in Nigeria in 2020.Is the Lord of the harvest actually aware of this? Does He even care that we perish? – Mark 4:38

He didn't make mistake when he said "**… You can be sure I will be with you always. I will be with you until the end of time.**" – Matthew 28:20 (Easy English). Not only that the Lord is aware, He had been aware. He said "**Behold, I send you forth as sheep in the midst of wolves…**" – Matthew 10:16. The wolves are

dangerous, carnivores, blood-thirsty, desperate and violent. What better adjective could describe these wicked people of our time?

Yet the Master's word to us today still remains the same: Do not be satisfied with a slight furrow; let the land that was fallowed (slightly plowed) be broken up again with a deep furrow. This should be immediately done: the season is passing; and if you do not get the seed in the ground, the early rain will be past, and your fields will be unfruitful (Adams Clarke).

Quitting at this time is not an option. We must be aware that over the years, history has shown that the Church thrives more during crisis. There was a great persecution of the disciples of Jesus Christ about the time the Church was born and the early centuries that follow. It was about this time also that Dr. Luke writes that "**So mightily grew the word and prevailed.**" – Acts 19:20. It is expedient for us to see this present time as God's time for His mighty movement through the Church. It is the time of mighty harvest.

The field is now really ripe for harvest, you only need to look up to see. Break new ground! Engage new frontier, for it is time to launch out, extending our sickle beyond the four corners of our Churches and routine and maintenance ministry. Jesus told the disciples "**… Launch out into the deep, and let down your net for a draught.**" – Luke 5:4. Beloved, are you ready for the draught – the end time harvest?

Today, there are over forty Priority Unreached People Group (PUPG) in Nigeria, all of which are located in the North (NEMA Research Dept.). These and many others around the world must be given the opportunity to hear the gospel in an understandable way for them to make a meaningful decision for the Lord. This will only happen when we resolve as individuals, local assemblies, Christian organizations and mission agencies, to break up new frontier. We must quickly make commitment to GO, PRAY AND SEND or do the three. Every decision, budget, project, programme and mission must have this tag, BREAK UP THE FALLOW GROUND.

God bless you.

My service year with God's Own Evangelistic Discipleship Ministry (GOEDM) has truly been an eye-opening and faith challenging experience.
I have learnt and seen firsthand, the exploits of faith and the dealing, lifestyle and sacrifices of men like me as they take territories and mold lives for the kingdom of God via visible display of Godly virtues and training.I am grateful to God for the privilege of serving here and to have met people with such a contagious zeal to see God glorified in every life.
I sincerely do honor the sacrifices of the missionaries who labour day and night on the field. I pray that their effort yield great success and reward here on earth and in eternity. – **JOSHUA SANNI, Kogi State.**

I count it a privilege to have served at Trinity Christian Academy/ GOEDM Jalingo Here, I have been given the opportunity to serve God and humanity in the best way I can ever imagine. During this time, God helped me to be directly involved in missions through the ministry's mission programs and my prayer life and the love for God and his work improved tremendously.
The activities and program of the school/ministry has made me more committed, hardworking and resilient. My being here is a confirmation of God's word that "there is no impossibility with God". – **ELIEZER SATESIN NYIDAWULO, Nasarawa State.**

I thank God Almighty for the privilege to serve and for seeing me through the service year. Serving in GOEDM was one of the best things that could ever have happened to me as it has helped me to deal with myself. God has taught me to be selfless, more disciplined, committed, patience and practical application of faith. God really used this medium to teach me what mission was all about and how I can render selfless service to God. Everything in GOEDM, its staff and Trinitarians are blessings to my life and I am so grateful to God for the experience. – **YAKUBU ENEMONAABRAHAM, Kogi State.**

I want to use this opportunity to appreciate God for bringing me to GOEDM for a period of one year. I knew this was where I was to serve, because God revealed it to me. That was why I immediately came here without any iota of doubt. I am so excited to serve here. Everything about me has changed. For me, being here is God's plan. I see my life being transformed, transfigured and re-arranged. My being here has helped me to build my morals and relationship with God.

In addition, being in the presence of God time without number drew me close to Him. Being with God's people has helped me enjoy fellowship with the congregation of the saints. Another lesson I learnt here is how to show care, show compassion, medical care and love to others.

Thanks so much. – **NDUKWE JOSHUA, Ebonyi State**.

Through Divine guidance and providence, I found myself in GOEDM, Jalingo, Taraba State,. My service year in GOEDM has been an insightful, reviving, empowering, educative and lesson-teaching season for me beyond words can describe. But by way of summarizing, my spiritual, social, physical and intellectual life has been built up in the following ways:

I have learnt diligence and hard work in duties, total obedience to authorities/instructions, punctuality to sacred meetings, praying without ceasing, regular Bible study, teamwork, networking with people/partners, tolerance/forbearance, practical love for others irrespective of tribal/natural differences, discipline, holiness of life/righteousness, integrity of character, sacrificial service, patience, helping the needy/less privileged, preaching/evangelizing, and the techniques for investing in others (that is, making men rather than making money).

In conclusion, I've learnt so much about missions and what it entails. I honestly didn't know much about missions in the past.

I am grateful to God for sending me to GOEDM to learn, teach, invest in others, be a blessing and be blessed by others, to the glory of God.

Thank you. – **OGAH SAMUEL, Edo State.**

Will Jesus find us watching?
by Kings Heralds

Will Jesus find us watching? – by Kings Heralds

1. When Jesus come to reward His servants,
   Whether it be noon or night,
   Faithful to Him will He find us watching,
   With our lamps all trimmed and bright?

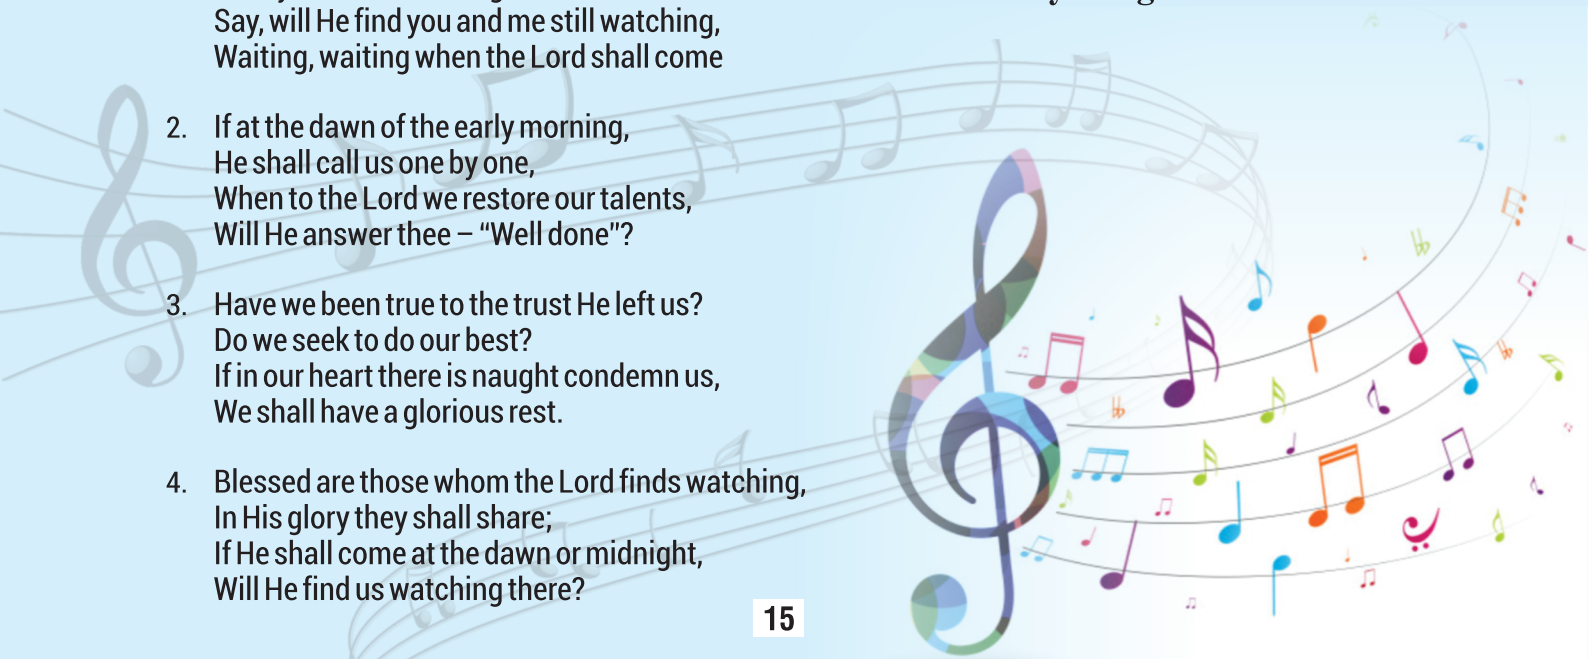

Chorus:

Oh can we say we are ready brother?
Ready for the soul's bright home?
Say, will He find you and me still watching,
Waiting, waiting when the Lord shall come

2. If at the dawn of the early morning,
   He shall call us one by one,
   When to the Lord we restore our talents,
   Will He answer thee – "Well done"?

3. Have we been true to the trust He left us?
   Do we seek to do our best?
   If in our heart there is naught condemn us,
   We shall have a glorious rest.

4. Blessed are those whom the Lord finds watching,
   In His glory they shall share;
   If He shall come at the dawn or midnight,
   Will He find us watching there?

MY FRIEND

MY FRIEND

My friend, I stand in judgment ashamed
And feel that you are somehow to be blamed
On earth, we talked together day by day
But never did you tell me the salvation story.
My knowledge then was extremely dim
Oh, you could have led me save to Him

Though we lived together on earth,
You never told of the second birth.
And now, I stand this day condemned,
Because you fail to mention Him.
I called you friend and trusted you,
Yet now, I learnt that it's too late.
You could have kept me from this fate

You let me live, love and then die
Though you know I'd never live on high.
Yes! I called you “friend” in life,
And trusted you through joy and strife
Oh! How I wish you had introduced the Trinity
Because now I face Christ-less eternity
It is evident that on coming to the end,
I cannot now call you my friend

The Great Commission is not a one man business. If it was, Jesus wouldn't need the twelve and the seventy. This same Great Commission needs more people to come on board so that the work could be done. Although some hands have been on the plough, the Master still says the labourers are few. Your partnership is important to us in finishing the remaining task. Please join us today.

Mk414 Initiatives

The children are unconsciously being neglected in the drive to reach the unreached. The focus of MK414 initiative is to strategically reach the children within the age 4 and 14years, with the gospel of the kingdom. You can join us to plant the word of God in their hearts and hands, by donating pictorial and teens' Bibles.

AS A MAN THINKETH

- Missionaries are very human folks, just doing what they are asked. Simply a bunch of nobodies trying to exalt Somebody – Jim Eliot
- It was strictly forbidden to preach to other prisoners. It was understood that whoever was caught doing this received a severe beating. A number of us decided to pay the price for the privilege of preaching. So we accepted their (the Communists) terms. It was a deal; we preached and they beat us. We were happy preaching. They were happy beating us. So everyone was happy, - Richard Wumbrand
- People who do not know the Lord ask why in the world we waste our lives as missionaries. They forget that they too are expending their lives, and when the bubble has burst, they will have nothing of eternal significance to show for the years they have wasted. – Nate Saint. Martyr
- I cannot tell you what joy it gave me to bring the first soul to the Lord Jesus Christ. I have tasted almost all the pleasures that this world can give. I do not suppose there is one that I have not experienced, but I can tell you that those pleasures were as nothing compared to the joy that the saving of that one soul gave me. – C. T. Studd
- Missions is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. – John Piper
- If you take missions out of the Bible, you won't have anything left but the covers. – Nina Gunter
- “Not called!” Did you say? 'Not heard the call,' I think you should say. Put your down to the Bible and hear Him bid you go and pull sinners out of the fire of sin. – William Booth
- The way you store up treasure in heaven is by investing in getting people there. –Rick Warren

NIGERIA
UNREACHED

MagdhiPeople of Taraba state

The Magdhi or Widala are an agricultural people who live in east central Nigeria. They are a small group who may merge with larger peoples in the near future. The Magdhi language is endangered. No Christian resources are available in Magdhi. Young people prefer to speak the Hausa and English they learn in school. Unfortunately, many adult Magdhi are unable to read and write. The gospel will need to be presented to them in audio and visual forms.Most people groups in rural Nigeria like the Magdhi enjoy music, storytelling and dance as a form of entertainment and communication.

The Magdhi practice a mixture of Islam and traditional religion. They depend on the spirit world for their daily needs since they regard Allah as too distant. Allah may determine their eternal salvation, but the spirits determine how well we live in our daily lives. For that reason, they must appease the spirits. They often use charms and amulets to help them deal with spiritual forces. The Magdhi believe that spirits inhabit the objects of nature such as tree, rock, animals, rivers and the sky. Village shamans connect the Magdhi with the spirit world. The Magdhi live in fear of these evil spirits.

Most of all, the Magdhi need to hear and understand the message of Jesus Christ. He alone can forgive their sins and deliver them from their fear of evil spirits.

Prayer Focus

- Pray for Pray for God's blessing, strengthening and healing of Magdhi families and communities within this people group through the abundant life, Jesus offers to all who call on His name.
- Pray the Lord to raise up a strong disciple making movement to saturate the hearts and minds of this people group.
- that the Lord sends Nigerian Christians to share the gospel with the Magdhi.

Pray for the Lord to multiply the reception and influence of His Word among the Magdhi people leading them to love Him with their whole being

T E S T I M O N I E S

- Our soul is escaped as a bird out of the snare of the fowlers: the snare is broken and we are escaped. All glory to Jesus fulfilling His promise to be with us always.
- The building project that commenced early this year has witnessed tremendous blessings from the Lord. Although yet to be completed, we thank the Lord for all the provisions and the donors.
- God has blessed us with a piece of land in Yaukani village, one of the villages where we have planted churches. Several years ago, the natives in this village became hostile to our missionaries but now God is changing their hearts. This can only be God.
- Trinity Christian Academy continues to provide sound education for OVCs without charge. We thank the Lord for sustaining this vision, especially during this tough time. God has made a way for six of our students into the universities and two into College of Education and Nursing school respectively. Their WAEC and NECO results are getting better every year. Praise be to God.
- The Lord of the harvest has added to our workforce. Bro. NimyelBindul with his family joined our workforce, as well as Bro. Joshua Sanni who joined us immediately after his one year youth service. God be praised forevermore.
- We thank the Lord for his divine provision for all our missionaries. It is so amazing how the Lord has been meeting our needs promptly. Indeed, He can be trusted.

APPRECIATION REAPERS 2021

NGOZI JOSHUA-ADAH

Great is thy faithfulness O Lord to the family of Gods Own Evangelistic Discipleship Ministry. For 15 years you have been our rock, our strong tower, our glory and lifter up of our heads. Hallelujah to our Mighty Man in Battle. We are most grateful Lord. With your Mighty Hands and Strong Arms, you have delivered us from the noisome pestilence and sustained the work in GOEDM and caused it to continue to transform and challenge lives, using fallible men like us.

We have been able to come this far because of the labour, sacrifice, support and encouragements of our friends and partners. We give thanks to God always for you all, making mention of you in our prayers remembering without ceasing your work of faith, labour of love and patience of hope in our Lord Jesus… 1Theselonians 1:2-3. In all our wars and wins this 15years, you have not relented in standing with us, 'thank you', can never be enough. You are the best.

We are more grateful to you than you'll ever know. Sometimes the simplest thing you do for us mean the most. Your thoughtfulness in calling-in, praying, visiting and giving, is a gift we will always treasure. May the joy of serving God continue to be your strength.Continue to always abound in the work of God, as you continue to do your own part of the great commission. Psalm 128:5

The task is increasing, let us not be tired in serving and supporting this Great Commission. Pst Joshua Adah usually say that the reward of hard work is more work. Despite all the feats we have achieved together, the Lord as a matter facts, still requires more commitment from us, even as He is leading us to break forth to new frontiers this year, in our bid to seek the expansion of His kingdom. May more grace be released to us all, Amen.

I challenge the rest of us who for one reason or the other, are yet to locate their place in this Great Commission, to wake up and put away every excuse syndrome, because the devil will always flood us with excuses in other to discourage from doing the will of God. If you expect great things from Go, do great things for Him. Let's go the extra mile for Him this year. SHALOM.
